GOVERNMENT OF KERALA

Transport, Fisheries & Ports (Transport—B) Department

NOTIFICATION

No. 21060/TB3/82/TF & P. *Dated, Trivandrum, 7th July*, 1983.

The following draft rules further to amend the Kerala Motor Vehicles Rules, 1961, which the Government of Kerala propose to make in exercise of the powers conferred by clause (f) of sub-section (2) of Section 41 of the Motor Vehicles Act, 1939 (Central Act IV of 1939), is hereby published for general information, as required by sub-section (1) of section 133 of the said Act.

Notice is hereby given that the said draft will be taken up for consideration on or after 17th December, 1983 and that objections or suggestions, if any that may be received from any person with respect to the said draft on or before the date specified above will be considered by Government. Objections or suggestions shall be addressed to the Special Secretary to Government, Transport, Fisheries and Ports (Transport-B) Department, Secretariat, Trivandrum.

33/4758/MC.

Draft Rules

1. *Short title*:—These Rules may be called the Kerala Motor Vehicles (Amendment) Rules, 1983.

2. *Amendment of rule* 134.—In the Kerala Motor Vehicles Rules, 1961, in clause (bb) of sub-rule (1) of rule 134, for the first sentence the following sentence shall be substituted namely:—

"If a vehicle is produced for renewal of certificate of fitness after its expiry, a penalty at the rate of Rupees 50 in the case of a contract carriage and Rupees 100 in the case of any other transport vehicle shall be charged for every calendar month or part thereof".

By order of the Governor,

V. A. Augustine,
Additional Secretary to Government.

Explanatory Note

(This is not part of the notification but is intended to indicate the main purport).

As per G. O. (P) No. 69/78/W&T. dated 4-7-1978, Government have prescribed the rate of penalty to be imposed on contract carriages and any other transport vehicles which are not having valid fitness certificate as Rs. 10 and Rs. 20 respectively. But it has been observed that since the amount of penalty now prescribed is too meagre the vehicle owners are operating their vehicles without a valid fitness certificate for any period which is likely to cause danger to public safety. Therefore, Government consider that a substantial increase in the rate of penalty is necessary so that it might serve as a deterrant to the vehicle owners to have valid fitness certificate always. The notification is intended to achieve the above purpose.
